

# Carl McLawhorn Memorial Fly-Off VIII

- NAR National Rocketry Competition (NRC) Events
  - CMMF Meet Championship
- Sport & HP Launch, Up To K Motors (5,000 AGL)

**October 17-18, 2020**

9am-5pm Saturday, 9am-2pm Sunday

Hosted by: PSC #473 Pittsburgh Space Command

Location: Weber Farm - 595 Tie Line Road, Grove City, PA

## \* Meet Championship Events:

Open Spot Landing (Any SEMROC)

1/2A Parachute Duration

1/2A Boost Glider Duration

E Super-Roc Duration

1/2A Altitude (w/Altimeter)

## \* Meet Championship Scoring:

Normal NAR divisions will be used.

We will use the NARAM sporting code scoring system for each event.

Total score of the meet will be the sum of the meet championship events.

The open spot landing event will be used for any ties.

## \* All NRC Events Can Be Flown:

Competitors will need to provide their own altimeters.

**Due To COVID-19 No Pre-Competition Barbecue This Year**

*Come join us in some friendly competition or  
bring a few sport rockets and come check it out.*
